- Disability Training / Education / Support.
- Support Coordination
- Employment / Access / Assessment / Support Life Skills Development / Consultants.
- Counselling.
- Community Participation.
- Planning and Management.
- Accommodation / Tenancy Support.

## **Developmental Educators**

Adopt a holistic, strengths based and person centred approach.

Work from a human rights framework, which underpins our practice and service approaches.

Work in collaboration with other allied health professionals.

Work in partnership with people with a disability, their families and support networks to deliver a range of specialist services.

Work in collaboration with others to provide information on disability.

Developmental Educators are multi-disciplinary disability specialists, having completed a disability specific tertiary degree.

**All** Developmental Educators complete a university **Bachelor** or **Master level** qualification.
